

Membership Benefits Schedule

Yearly membership to the Association is determined on a pro rata basis, so you can join at any time throughout the year and you will only be charged from your joining date. ASSDA's membership schedule allows entry at seven levels, covering all sectors of the industry with each level providing providing a number of significant benefits.

Individual Membership

Single proprietor concession - suited to sole architect or engineer, TAFE or university lecturer

- › Access to a network of metallurgists and free technical assistance from ASSDA through its Technical Hotline (not available to non fabricator members of the Association)
- › Discounted registration rates in ASSDA's educational courses, annual conference PacRim Stainless, seminars and webinars
- › Discounted advertising rates in ASSDA industry publications
- › Free potential editorial in *Australian Stainless* magazine, plus distribution to third party magazines
- › Receive *Stainless Steel Bulletin* (ASSDA's members' only newsletter)
- › 1 free *Australian Stainless Reference Manual* with each new edition published
- › Receive ASSDA LeADmail (email alert of business opportunities for members)
- › Referral service for incoming supply and fabrication enquiries through ASSDA's Technical Hotline
- › Member listing in ASSDA's online Buyers' Guide, a stainless steel industry directory designed to promote member and Accredited Fabricator capabilities
- › Use of ASSDA member and Association logos to promote your membership of ASSDA
- › Lecture opportunities at Association and related functions (at ASSDA's invitation)
